## Competition 2023

# WASTE REDUCTION LITERACY

## Seeking Examples of Good Practice

The German section of the **International Federation for Home Economics (IFHE)**<sup>1</sup>, with the support of the model project for vocational orientation "**Hauswirtschaft... immer wieder neu!**"<sup>2</sup> is launching a competition to mark **World Home Economics Day**<sup>3</sup> 2023.

**Eligibility:** individuals, institutions, organisations or associations, as well as educational establishments for all age groups, that run projects related to home economics skills and thereby save resources and avoid waste.

### KEY FACTS AT A GLANCE

- Application:** In German or English using the application form plus additional materials (e.g. links, photographs, videos)
- Closing date:** 31 January, 2023
- Prizes:** 1st and 2nd places: payment of conference fees for **one person** to attend the **dgh Annual Conference** in Münster in September 2023 on the theme of "Sustainability".
- Plus: **Digital visibility** for the best practical examples through social media channels with nationwide and international reach, as well as **book vouchers**.

For further information and an application form, please visit here: [www.t1p.de/WHED2023](http://www.t1p.de/WHED2023)

1 The **International Federation for Home Economics (IFHE)** is a globally recognised non-governmental organisation with consultative status with the United Nations. Founded in Switzerland in 1908, it is the only global organisation which addresses home economics, household science and consumer science issues. The German Section of the IFHE is the International Advisory Board of the **Deutsche Gesellschaft für Hauswirtschaft** (German Society for Home Economics). ▶ [www.ifhe.org](http://www.ifhe.org) ▶ [www.dghev.de](http://www.dghev.de)

2 The model project for vocational guidance **Hauswirtschaft... immer wieder neu!** is carried out on behalf of the Berlin Senate Department for Integration, Labor and Social Affairs and is funded by the state of Berlin.
